TaxJar®

Compare the Biggest Names in Sales Tax Software

Knowing which sales tax solution to outsource your reporting to can be overwhelming when deciding between multiple providers.

Below are unbiased reviews around three of the biggest names in sales tax software. Compare for yourself how independent users rank TaxJar, Vertex and Avalara around ease of setup, support, quality of support, go-live times, and more. The choice becomes obviously clear as only one solution outperforms, outranks and easily supports sales tax businesses like yours.

	Avalara	Vertex	TaxJar®
Overall product rating	★★★★☆ 4/5 stars	★★★★☆ 4/5 stars	★★★★★ **5/5 stars**

The ratings above are based on user reviews collected by G2 as of June 2, 2020.
